# Protect Your Projects – One Contract at a Time.

## **AIA Documents-on-Demand®**

The Contracts You Need – Whenever You Need Them

Draft your contracts with the insight and experience of the industry's brightest legal minds – in a quick, compact format. AIA Documents-on-Demand enables PC and MAC users to select individual documents from the AIA's most popular contracts and fill them out electronically with an easy-to-use, web-based service. Enjoy the peace of mind that comes with using the most widely accepted and time-tested documents in the industry.

- **Choose from over 100 of AIA's most popular forms and contracts**

Easy-to-use, web-based tool is accessible any time, from anywhere.

- **Purchase only the documents you need**

Ideal for firms with limited budgets and smaller projects.

- **Compatible with both Mac & PC platforms**

Save time with reliable, easy-to-complete electronic documents\*.

- **Focus more on the project, less on the contract**

Widely accepted and balanced fairly for all parties involved – get off to a smart start with AIA Documents-on-Demand.

For more information visit **[documentsondemand.aia.org](http://documentsondemand.aia.org)**.

**AIA Contract Documents®**  
THE INDUSTRY STANDARD.

[aia.org/contractdocs](http://aia.org/contractdocs)

\*While a customer can complete the document electronically, there is limited editing capability, and the document is meant to be shared in hard copy.

Emil Reznik Administration, Maintenance and Operations Facility

**A**t Forum Architects, we view architecture as both a science and an art. As a science, the field calls us to understand the materials and craftsmanship that combine to create a solid, functional structure. As an art, architecture employs shapes, colors and textures to make a building compatible with its environment and a place in which the lives of users are enriched.

**ABOVE:** LEED Platinum Bus Facility exemplifies the interaction between program, function, iconic design and sustainability while highlighting public transportation services.

**RIGHT:** Expansive daylit spaces promote transparency and work to diminish the boundaries between interior and exterior.

**T**he mission of Schmidt Associates is to lead a process for Owners founded on mutual respect and shared investment. Founded on the principle of Servant Leadership — a core value that places the client's goals and aspirations at the forefront of our professional commitment to excellence — the firm opened its doors on July 4, 1976. Today, Schmidt Associates is a multi-disciplinary firm providing comprehensive planning, architecture, engineering, and construction delivery services to the educational and urban markets.

**(ABOVE) ISU SCOTT COLLEGE OF BUSINESS:** This project integrates the historic post office and its features into a modern, high-tech educational facility.

**(RIGHT) HAMMOND BLOCK:** Hammond Block successfully demonstrates the longevity of a design while spurring economic development in the area.
